

**Press Release**

## **Distributed Compliance Solution's Sales up 114% over 1H 2009**

Doylestown, PA, July 26, 2010 - Distributed Compliance Solutions LLC ("DCS"), the premier hosting company of controlled content management solutions, today announced that sales for the first half of 2010 are up over 114% from the same period last year.

Distributed Compliance Solutions added new logos and grew contract staff by 10%. While legacy document migration to the new hosted system is standard with DCS hosting, today many of the customers are coming to DCS to migration paper or existing systems. DCS offers customers turn-key compliance environments for EMC Documentum Compliance Manager, records and digital rights management, Progress Savvion Business Manager and Microsoft SharePoint applications. Along with the data center these packages include Help Desk, Support and End User Training.
